

Class of '62

This class met for its five-year reunion on the evening of August 4 at the home of Bob and Sharon Barnes next to their nursery on Cleveland Road. On a beautiful summer evening, on spacious multilevel deck overlooking a pond and the lake, this bunch enjoyed a delicious meal and evening of camaraderie. From across the country they had come to enjoy one another's company and that they did all evening long. Bob and Sharon opened up their beautiful home to all, and as the evening wore on and mosquitos did their thing, more gathered around the spacious kitchen island and in the family room. Class president Ted Wiley led the meeting and toasted all classmembers, living and deceased, present or not for the roll call, reminding all that this was Huron's greatest class. Now there's an original line! Already ideas are floating about for "the big one" five years hence. Here's hoping all remain active, healthy, and are fully retired for that one - wherever. Many thanks to Bob and Sharon and Linda and all others who worked so hard to make this a success.

Ted Wiley finishes his speechifying and then proposes a toast to all classmates. Next to Ted is Linda Green Haley, Greg Sheets, and Rich Grumney.

Listening to Ted's speech are (l. to r.) standing John Mellein, Ron Faller, Sally Shunk Majoy. Seated are Joe Givens, Jeff Callihan, Sharon Hamp Givens, Fanny Passeur Wilkinson, and Jerry Wilkinson.

David “Blue Gill” Majoy, Jim Nesbitt and Sam Bomar whoop it up, probably over one of Blue’s fish stories.

Jess Hagy and Barb Sheets, in conversation about high school biology, probably.

Bob Barnes Tom Armstrong, and Ted Wiley enjoy a chat about - what else? - the Buckeyes!

Keeping up their end of the party on the back deck are Joel Bickley, Sally Strunk Majoy, Ray Majoy, Rich Grumney and Karen Legando Wilson.
