HURON HIGH SCHOOL MISSION STATEMENT

Huron High School challenges students to be productive thinkers both now and in the future.

The mission of Huron High School is to have our students:

- ...be discriminating readers and listeners.
- ...be capable of expressing themselves.
- ...be lifelong learners capable of responding to the demands of a changing world.

HURON HIGH SCHOOL PHILOSOPHY

Huron High School believes that a holistic educational program has an important contribution to make in developing the personal growth of young people and in preparing them to be creative, intelligent, and responsible adults in a democratic society. The education of students at Huron High School involves a partnership among school personnel, students and their families. The responsibility of the board of education is to provide trained and concerned teachers and staff of high standards, dedicated to the development of the students' intellectual, practical and marketable skills through course offerings in the basic subject areas of language arts, mathematics, science, social studies, business, and fine arts. The student, in order to graduate, is responsible for mastering these basic skills to the best of his/her ability through regular school attendance, punctual completion of assignments, attentiveness, and self-discipline within the classroom. The family's responsibility is to provide an environment of positive support for the student. This total partnership encourages the participation of students in extracurricular or supplemental activities, and further recognizes their importance in the development of healthy, well-balanced individuals.

ACADEMIC OBJECTIVES

Huron High School strives to:

...challenge students with a progressive program for continuing growth and development appropriate to the student's ability.

...evaluate progress of each student's total education by creating a partnership of parental involvement, individual student responsibility, and staff preparedness.

...provide quality basic course instruction that must be mastered in order to graduate.

...provide programs to meet the needs for students for accelerated and/or specialized instruction, vocational education, special interests, at-risk intervention, and technological advances.

...offer students the opportunities for mental, physical, and social growth.

...enhance students' awareness of civic responsibilities in the knowledge and use of skills learned in the educational environment.

...demand rigorous academic standards in all course offerings.

...offer opportunities for the student to develop values and standards in an ever-changing and diverse society.

GIFTED EDUCATION

Huron City School District follows the March 2008 “Operating Standards for Identifying and Serving Gifted Students” and has an approved plan on file with the Ohio Department of Education.

There are two opportunities each year for assessment to identify students who perform or show potential for performing at high levels of accomplishment in the areas of superior cognitive ability, specific academic ability, creativity, and visual and performing arts. Referrals for assessment are accepted on an on-going basis using the process outlined in the “Information for Parents and Notice to Parents” brochures available at the district offices. This brochure also explains the withdrawal procedures and the process for appeals.

- The *District Policy and Plan for the Identification of Children Who Are Gifted* describes the eligibility criteria, the identification plan, and the appeals process allowable by HB282; and
- The *Notice for Parents – Assessment Instruments Used for Gifted Identification* lists the instruments accepted by the Ohio Department of Education for both screening and identification.

Students identified as gifted need differentiated curriculum and instruction through a continuum of services. Examples of such services may include large group instruction, subject acceleration, early entrance, small group instruction, honors courses, and dual enrollment opportunities. For further information regarding gifted identification, contact the appropriate building principal or the Director of Gifted Education.

HAZING POLICY

This policy has been adopted by the Huron City Schools to maintain a safe learning environment for students that is free of hazing. The Huron City Schools shall not tolerate any hazing of students and prohibits hazing at all times.

1. Definition. Hazing means any conduct or method of initiation into any student organization or team, whether public or private property, which willfully or recklessly causes or creates a substantial risk of causing the physical or mental health, harm to any student or person. Such conduct includes but is not limited to whipping, beating; branding; forced consumption of any food, liquor, beverage, drug, or other substance; or any physical health or safety of any student or other person, or that subjects each student or other person to substantial mental stress, including deprivation of sleep or rest or extended isolations.
2. Staff’s responsibilities. Teachers, administrators, volunteers, contractors, and other district employees shall be alert to possible situations, circumstances, or events that may constitute hazing. Any such person who receives a report of, observes, or has other knowledge or belief of conduct that may constitute hazing shall inform the school principals immediately. Teachers, coaches, administrators, volunteers, contractors, and other district employees shall not plan, direct, encourage, aid in, engage in, permit, condone, or tolerate hazing.
3. Where and when policy applies. This policy applies to behavior that occurs on or off school property and during and after school hours.
4. Formal reporting procedure. Any person who believes he or she has been the victim of hazing or any person with knowledge or belief of conduct that may constitute hazing shall report the alleged acts immediately to the school principal, the assistant principal, or the superintendent.
5. Informal reporting. Students and staff may seek advice on matters related to the hazing policy without having to file a formal complaint. Students who feel they have been subjected to hazing should talk with a principal, teacher, coach, or advisor. Staff members approached by students shall counsel them on options available to them under this policy and are required to report the incident to the principal or assistant principal. Staff members who have concerns about possible hazing behavior are encouraged to talk with a principal, teacher, coach, or advisor. The district intends to try to stop hazing, not to determine intent or blame.
6. School district investigation. Upon receipt of a formal complaint or report of hazing, the school district shall undertake or authorize an investigation by the school district officials or a third party designated by the school district. The investigation will be completed as soon as practicable and a report will be filed with the superintendent within fifteen (15) days of completion of the investigation.

7. Discipline. The school district will discipline or take appropriate action against any student, teacher, administrator, volunteer, contractor, or other district employee who is found to have violated this policy. Such action may include, but is not limited to, warning, suspension, exclusion, expulsion, transfer, remediation, termination, or discharge.

COURT ORDERS

It is the responsibility of any person (student, parent, guardian, etc.) in possession of any type of court order that would have an impact on the educational process, the school environment, classroom activities or student activities to notify school authorities. Notification must include a copy of the original court order to be placed on file by the North Point Educational Service Center school official. Proper notification will enable school authorities to react and abide by the court ordered provisions of such writ. Failure to provide proper notification to school officials of the existence of such writ prevents the order from being followed and absolves school authorities of having knowledge.

SEXUAL HARASSMENT POLICY

Huron High School recognizes that a student's right to freedom from discrimination includes the opportunity to learn and participate in an educational environment free of sexual harassment. Sexually offensive speech and/or conduct are wholly inappropriate and will not be tolerated in any form.

ELECTRONIC SURVEILLANCE

Surveillance cameras are posted throughout building and school property.

FERPA – CONFIDENTIALITY POLICY

The Family Educational Rights and Privacy Act (FERPA), a Federal Law, requires that schools, with certain exceptions, obtain written parental consent prior to the disclosure of personally identifiable information from your child's education records. However, schools may disclose appropriately designated "directory information" without written consent, unless the parent has advised the school in writing to the contrary. The primary purpose of directory information is to allow the school to include this type of information from your child's education records in certain school publications. Examples include but are not limited to:

- ❖ A playbill, showing your student's role in a drama or musical production;
- ❖ The annual yearbook;
- ❖ Honor and merit rolls or other similar recognition lists;
- ❖ Graduation, activity, club, and banquet programs;
- ❖ The morning school announcements; and
- ❖ Sports activity sheets, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to companies that manufacture class rings, publish yearbooks, or take the school pictures. In addition, two federal laws require local educational agencies (LEA) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories – names, address, and telephone listings – unless the parent has advised the LEA in writing that the parent does not want the child/student's information disclosed without the parent's written prior consent.

If you do not want Huron High School to disclose directory information from your child's education records without your prior written consent, you must notify the school in writing by the end of the first week of classes. The school has designated the following information as directory information:

- ❖ Student's Name;
- ❖ Participation in officially recognized school activities and sports;
- ❖ Address;
- ❖ Telephone listings;

- ❖ Weight, height, and grade of athletic teams;
- ❖ Electronic mail address;
- ❖ Degrees, honors, and awards received;
- ❖ Major field of study;
- ❖ Dates of attendance;
- ❖ Grade level; and
- ❖ The most recent educational institution attended.

The release of photographs will be addressed via a Minor Photo Release Form which will be sent home to the parent/guardian at the beginning of the school year.

(Legal sources for the above are: Section 9528 of the ESEA (20 USC 7908) as amended by the No Child Left Behind Act of 2001 (PL 107-110), the education bill, and 10 USC 503, as amended)

B. ATTENDANCE

ATTENDANCE

Students are expected to attend classes regularly and be on time for all classes. Daily school attendance has a major impact upon achievement. Educational researchers have shown that students who attend school regularly and pay attention to daily lessons and homework receive higher grades.

When a student misses a day of school, he/she misses a day of learning. Learning is an ongoing process. Lessons proceed in steps. Each step is built on the last and builds toward the next. Each step helps students understand the meaning and progression of their learning and how the skills they are learning relate to major course objectives.

We encourage students to place attendance at school as a high priority.

ABSENCE POLICY

It is extremely important that students and parents realize and understand that the 8 days of absences per semester built into this attendance policy are not to be considered as approved days to miss classes. These days should be thought of as a sick bank to be used only when needed. Days that are excused by a verified note from a doctor, dentist, or court official, or school sponsored field trip will not count toward the allotted 8 days of absences per semester.

Absence from class occurs when a student misses more than 15 minutes of class. These absences could be considered unexcused/truant.

EXCUSED ABSENCE

Absence is defined as the failure of a student to report to school or to a class when assigned for instruction. Under certain circumstances absences are legal/permissible.

Students are expected to attend school every day unless prevented by one of the following reasons:

- Personal illness
- Illness in the family
- Quarantine of the home
- Death of a relative
- Work at home due to absence of parents or guardians
- Observance of religious holidays
- Drivers Examination
- Family emergency or set of circumstances which, in the judgment of school officials, constitute a good and sufficient cause for absence from school.

An absence for any reason other than those cited above is illegal/not permissible and constitutes truancy.

For each day a student is absent the parent/guardian is to telephone the school office (433-1234, ext.1) between the hours of 6:45 a.m. and 3:15 p.m., and give the reason for the absence. If the parent/guardian does not call, every effort will be made by the school to call the parent/guardian during the school day. If contact by telephone is not made within forty-eight (48) hours after the student returns to school, the absence or absences will be unexcused and the student considered truant. Written excuses will only be accepted from homes with no telephones. Verified medical and court notes should be turned in within one week of the absence(s) or these days will be counted towards the ten day limit.

A. Parents/guardian will be notified, in writing, when their child reaches six (6) absences during the semester.

B. A student who misses nine (9) classes in at semester, without a medical or court excuse, will have the following options with the approval of the principal:

- Remain in the class, do all work and receive “NC” (no credit) for the semester
- Be withdrawn to study hall and receive “NC” (no credit) for the semester
- Other alternatives may be determined by the Attendance Appeals Board with permission from the principal.

- C. If a student feels that his/her absences were caused by extenuating circumstances, he/she may file a formal appeal with the Attendance Appeals Board (AAB). If the AAB grants the appeal, then it will determine the basis upon which credit will be granted in each course involved.
- An appeal to the AAB must be submitted to the principal within seven (7) days of the student being notified of reaching the limit.
 - Appeals in which any absences in a semester are due to truancy will not receive consideration.
 - Absences caused by school sponsored activities (field trips, assemblies, etc.) will not be counted toward the absence rule.
- D. All Out of School Suspension days do not count toward the eight (8) absences per semester.
- E. For calculation of absences for grade cards only, the following is used:
- More than one period = 1/2 Absence
 - More than 5 periods = 1 day of absence
- F. Absences causing loss of credit are based upon individual class absences.
- G. Students on college credit programs must work out semester attendance procedure with the guidance department.

ATTENDANCE RELATED RULES AND REGULATIONS

ASSIGNMENTS AND TESTS

If a student is absent one day or a part of a day, including field trips or other school activities, he/she will, on the day he/she returns to school, submit all assignments and take any tests given during the absence at the beginning of each class the day following the student's return.

If a student is absent two or more consecutive days, he/she will be allowed a like number of days to make up the work. It is the student's responsibility to contact his/her teacher concerning the assignments and due date. Make up tests cannot be taken prior to an absence. All tests must be made up after the absence (for excused absences only).

DETENTION HOME ASSIGNMENT POLICY: Students who are in the County Juvenile Correction Facility have the opportunity to complete all assignments at full credit. It is the parent(s) responsibility to pick up work from the high school office and deliver it to the facility.

TIME AND ARRIVAL AND DEPARTURE

The building is open to students when the buses begin to arrive at school. By 7:25 A.M. all students will be in their first period class to avoid tardiness. All students are expected to be out of the building by 3:30 P.M. unless they are in an activity supervised by a staff member, or are waiting for their bus. Once a student arrives at school, permission must be obtained before leaving school and/or school grounds from the administration. This includes before school, during the school day, and prior to assigned Detention or Friday School. Any student leaving the building must sign-out in the office and sign-in upon returning. Students must enter and exit through the front doors once the school day has begun.

TARDINESS

First period only - all students who arrive to school after the 7:25 tardy bell must report to the attendance office for an admission slip. If a student is tardy to a class other than the first period, the teacher is to admit the student to class and mark the student as being tardy on the absence slip for that period. If the absence slip has been picked up, the student will have to report to the office to get an admit slip. A student who is tardy by more than 30 minutes to his/her first period class will not be permitted to participate in extracurricular activities that day unless a doctor's excuse is presented.

A student who arrives after the start of school will receive an unexcused tardy (which accumulates towards detentions) unless he/she has a medical, court or counseling note signed by the appropriate official, or if a phone call is received from the parent verifying the illness before the end of the school day. Only a medical, court or counseling note excuses the tardy student from a class absence.

1 st & 2 nd Tardies -----	No Penalty
3 rd Tardy -----	Warning Notice to Parents
4 th Tardy -----	One Detention
7 th Tardy -----	Two Detentions
9 th Tardy -----	One Extended Thursday Detention and/or Possible Loss of Privileges
12 th Tardy -----	One Saturday School and/or Possible Loss of Privileges. Notice of Intended Suspension.

Further tardiness could lead to Saturday School, Out-of-School Suspension, Loss of Privileges and Referral to Juvenile Court.

NOTE: A student that completes 20 consecutive school days without a tardy will earn one tardy merit.

TRUANCY

“Truancy is defined as any unauthorized absence from school or class not qualifying as legal in the Ohio Revised Code.” (see page 8). Students arriving to school beyond 7:35 a.m., without a qualifying legal excuse, will be considered truant. Truancy shall be considered any unauthorized absence from school or class. Truancy is considered a serious breach of school rules. When a student is truant from school/class he/she will be subject to the following penalties:

- 1st Offense - Two detentions for each class missed and unexcused absence.
- Parent/Guardian notified of truancy
- Possible loss of school privileges
- 2nd Offense - Two detentions for each class missed and unexcused absence.
- Extended Thursday detention
- Parent/Guardian notified of truancy
- Attendance Officer notified of truancy
- Loss of school privileges
- 3rd Offense - Administrative discretion which may include Saturday School
- Out-of-School Suspension and/or Expulsion

COLLEGE VISITATIONS

The procedure for scheduling college visits is as follows:

1. Students and their families are responsible for arranging the college visit on their own to coincide with their schedules. Guidance has the phone numbers and web site addresses to help facilitate this process if needed.
2. Once the student has scheduled a visit, the student must complete the college visit form available in the Guidance Office. This needs to be signed by the parent/guardian and returned to the main office a week prior to the visit.
3. The parent/guardian must call the school office to report the student’s reason for absence as being a college visit on the day of the visit or day before the visit.
4. Seniors are allowed two college visits during the school year that will not be counted toward the student’s eight day limit per semester.
5. Juniors will be allowed one college visit per year that will not be counted toward their eight day limit per semester.

ADULT STUDENTS

Students who are eighteen (18) years of age or older attend Huron High School under the same policies, rules and regulations as any other student. An adult student who does not adhere to the policies and regulations of Huron High School could be withdrawn from the school.

STATE-SPONSORED TOURNAMENTS

A student not competing who is a team member of a sport that is competing in a State-sponsored tournament will be excused to attend that tournament providing he/she has permission from his/her parent/guardian properly given to the attendance office *24 hours in advance of the absence*.

A student who is not a team member will be permitted to attend State and Regional contests (or the level immediately below state) in which our athletes are competing providing he/she has permission from his/her parent/guardian properly given to the attendance office *24 hours in advance of the absence*, is currently maintaining a 2.0 accumulative GPA, and has been in school 95% of the school year at the time of the request (medical follow-ups are counted as part of the 95% attendance computation)

State and Regional tournaments (or the level immediately below state) which do not involve our athletes may be attended providing he/she is currently maintaining a 2.0 accumulative GPA, has been in school 95% of the school year at the time of the request, and has parental/custodial permission properly given to the attendance office 24 hours in advance of the absence (medical follow-ups are counted as part of the 95% attendance computation).

C. STUDENT BEHAVIOR, RIGHTS AND RESPONSIBILITIES

STUDENT BEHAVIOR CODE

RIGHTS AND RESPONSIBILITIES

H.B.421 requires each Board of Education to adopt a set of rules and regulations designed to maintain order and discipline necessary for effective learning. The Board of Education's primary concern is that students who wish to learn can do so in an environment conducive to learning and that every available disciplinary and prescriptive means be employed on behalf of those who would deny such an environment. The sole objective of this code is to insure fair and equitable handling of disciplinary problems.

CODE OF CONDUCT

All students are expected to:

- Accept the leadership and authority of teachers, principals, and other staff members.
- Practice good citizenship
- Cooperate with all staff members and other students.
- Demonstrate respect toward all people and their property.

- Behave in an acceptable manner on the way to and from school.
- Refrain from all forms of fighting, menacing, assault and harassment.
- Represent themselves and their school in a positive manner.
- Read and become familiar with the rules, guidelines and policies established in the Student Handbook.

METHODS FOR CORRECTING STUDENT BEHAVIOR

The building administrators are responsible for proper enforcement of discipline in the school. They have the discretionary authority to use or authorize other certificated personnel to use the following measures to modify pupil behavior (including but not limited to the following examples):

- Communication with student and parent
- Refer to guidance Center
- Assign detentions
- Extended Thursday Detention
- Saturday School
- Assign In-School-Restriction (ISR)
- Suspend from school
- Recommend to the Superintendent for expulsion
- Cite to Juvenile Court
- Suspend bus privileges

- School Resource Officer

DETENTIONS

Detention given by the office and/or teacher will be served on the day assigned. Detention will run from Tuesday through Thursday and will be 30 minutes in length (2:40p.m. to 3:10 p.m.). Students attending Detention shall bring a sufficient quantity of school work to work quietly on during the Detention period. The administration will schedule the date of all Detentions. Students will be given 24-hour advance notice for all Detentions. If a student feels there is a valid reason for missing an assigned Detention the parent/guardian must contact the assistant principal prior to missing the assigned Detention. If absent from school, the assistant principal will reschedule your Detention. Failing to attend or being removed from an assigned Detention will result in a more serious penalty that could include additional Detentions, Extended Thursday Detention, Saturday School or Out of School Suspension.

EXTENDED THURSDAY DETENTION

A supervised Extended Thursday Detention Program will be operated for students who have accumulated regular detentions or for those who have committed more serious rule violations. Thursday Detention will be held from 2:40 p.m. to 4:10 p.m. Students attending Thursday Detention shall bring a sufficient quantity of school work to work quietly on during the detention period. Only the building principal or assistant principal will assign Thursday Detentions. Students will be given 24-hour advanced notice prior to the assigned detention time. Failing to attend or being removed from an assigned Extended Thursday Detention could result in a Saturday School and/or Out of School Suspension.

SATURDAY SCHOOL

Saturday School is an administrative option for students who have skipped/been removed from extended Thursday Detention, accumulated discipline infractions or serious rule violations. Only the building principal or assistant principal will assign Saturday School. The hours for Saturday School are 8:00 am to 11:00 am. A 10 minute break will be given midmorning however, lunch will not be provided. Students must report on time and bring textbooks, homework, and enough school related materials to keep their attention for the entire session. School officials may exercise their option to involve students in group activities, proficiency remediation, and other structural educational activities. Failure to attend a Saturday School or removal for inappropriate behavior could result in an Out of School Suspension. Saturday Schools will be held in either Huron High School or McCormick Middle School.

PROCEDURES FOR IMPLEMENTATION OF IN-SCHOOL-RESTRICTION, SUSPENSION, EXPULSIONS, AND REMOVALS

School administrators shall be responsible for the implementation of the policy.

Huron Students who attend EHOVE Career Center or any alternative school placement that are removed, suspended, or expelled while attending EHOVE will not be permitted to attend Huron High School until the period of removal, suspension or expulsion has expired. Any student removed, suspended, or expelled from school may not participate in, or attend extracurricular activities during the period of removal, suspension or expulsion. Those students are not permitted on school property at any time and should remain home during school hours.

IN-SCHOOL-RESTRICTION

In-School-Restriction (ISR) provides the school the opportunity to administer corrective discipline and allows the student to serve his / her penalty without major disruption to their education. Students are to get their assignments ahead of time from their teachers and take this list, along with all needed materials and a sack lunch to the ISR room on the day(s) assigned.

The Assistant Principal will give the student a complete list of rules for IRS when it is assigned.

ISR does NOT count towards a student's total number of the days absent and students may participate in activities that evening.

SUSPENSIONS

In the case of a student's intended removal from school for purposes of suspension, the following procedure shall be enacted.

1. The pupil shall be informed in writing of the intended suspension, and reasons for the proposed action.
2. The pupil shall be provided an opportunity for an informal hearing to present his/her views and/or otherwise explain his/her actions.
3. An attempt shall be made to notify his/her parent, guardian or custodian of the impending action and the reasons for it.
4. Within twenty-four (24) hours a letter shall be sent to the parent, guardian or custodian stating the specific reasons for the suspension and including notice of their right to appeal such action to the Superintendent or his designee, to be represented in appeal proceedings, to be granted a hearing before the superintendent or his designee and to request such hearing be held in executive session. If an appeal is requested, it must be made to the superintendent or his designee within five (5) days after the notice is sent.
5. Simultaneous written notice of the suspension shall be sent to:
 - a. Superintendent of Schools
 - b. Treasurer of the Board of Education
 - c. Pupil's School Record
 - d. Board President

All out-of-school suspensions are with credit. Students will be allowed a like number of days to make up work. It is the student's responsibility to contact his/her teacher concerning all make up work. Suspensions may not be longer than ten school days beginning with the first day of removal from school. Only the principal, assistant principal and the superintendent may suspend.
