

Mrs. Brown's Classroom Rules and Procedures (2010-2011):

- 1. Be respectful of everyone in the classroom. No inappropriate language, gestures, or put-downs.**
- 2. Be in your assigned seat when the bell rings or you will be marked tardy.**
- 3. You must come to class prepared every day with the correct materials. These are an agenda, book, binder, and a blue or black ink pen.**
- 4. No food, drink, or cell phones in the classroom.**
- 5. If you are absent, it is your responsibility to obtain any notes or assignments you missed. You have as many days to complete assignments as you are absent.**
- 6. Late work will not be accepted!**
- 7. Please wait for me to dismiss you at the end of the period, not the bell.**

Compliance Points:

This is a kind of declining balance account, like a debit account. Each student begins the quarter with 100 points in their Compliance Account. A student will lose 5 points for each time he/she is unprepared for class due to forgotten classroom materials. A student will lose 5 points for any other classroom behavior that impedes teaching or learning.

Each student will have 2 "Oops, I forgot my materials" tickets per quarter. These tickets may also be used for bathroom usage during class time or to go back to your locker to get any forgotten materials. After the 2 freebie tickets are used, a student will lose points as described. At the end of the quarter, the unused tickets may be redeemed for bonus points. BE PREPARED!
