NOTICE

As a member of the Huron-Erie School Employee Insurance Association, your school district provides health care benefits to eligible employees and dependents through the Huron-Erie School Employee Insurance Association Health Benefit Plan (HESE Health Benefit Plan). Below is important information regarding your health care benefits.

Effective September 29, 2011, Ohio law prohibits the HESE Health Benefit Plan from paying for coverage for nontherapeutic (elective) abortions. “Nontherapeutic abortion” means an abortion that is performed or induced when the life of the mother would not be endangered if the fetus were carried to term or when the pregnancy of the mother was not the result of rape or incest reported to a law enforcement agency. Further information will be available from Medical Mutual.
